Dear Mr. Amirshahi

SUBJECT: DEMOCRATISE UNITED NATIONS VOTING SYSTEM

I write in response to your letter of 15 January 2010 regarding the above matter.

As you are aware the voting system in particular the abolition of Veto Right is a non-negotiable issue under the UN Charter, which is accepted by many UN member countries including Papua New Guinea.

Unless our Government considers this to be an issue, our position remains unchanged under the current regime.

Yours sincerely

Jean L. Kekedo CMS, OBE
High Commissioner
